

Web Developer&Designer

# Siniša Vukmirović

Self-taught FrontEnd dev

## about

Civil engineer by formal education, unsatisfied with working in that field, got into Web Development by attending "StartIt Centar's" free Web Development course, fell in love with it and been learning it ever since.

Looking for learning oportunity and enviroment where I could learn and grow as a developer, from and alongside experienced developers.

## skills

HTML 5, CSS 3, CSS Frameworks, SASS.scss  
CUBE Methodology, BEM Methodology  
JavaScript, ES6, Svelte.js, JSON, REST API, GraphQL
